Dear DLA Disposition Services Sales Catalog Subscribers:

DLA Disposition Services has been mandated by Department of Defense (DOD) to update our current business systems to enable integration with other DOD information technology systems and comply with current and future DOD software guidelines. Along with these systems updates come changes to our sales processes including the elimination of sales in a catalog format.

Effective January 31, 2012, there will no longer be a sales catalog subscriber service available. All future sales will be web based and items previously offered for sale in a catalog will be sold item by item, in an auction format. Once our new webpage is up and running, all of our current and potential buyers will be notified of the new webpage address.

We will work closely with you through this change to ensure a smooth transition and look forward to continuing to work with you in support of DLA Disposition Services Sales worldwide. Please visit our current DLA Disposition Services webpage at <http://www.dispositionservices.dla.mil/sales/index.shtml> for additional information. Updates, along with general sales information, will be posted on this site as they become available.

Please contact your Sales Contracting Officer or Jackie Moravek, (269) 961-5247 or jackie.moravek@dlamail if you have any questions.
